

## EXTENSION ACTIVITY

Why not gather some leaves and do your own leaf print picture. Carefully paint your leaf and press it gently onto a piece of paper. You can make some fantastic pictures. Enjoy!

Some of the older children might like to have a go at this word search and learn how to say THANK YOU in different languages. 'Merci.'

## Say "Thank You"

*It's always good to know how and when to say Thank You ... regardless of which country you are in. Here are twenty-six ways Thank You is said around the world. How many languages can you say "thank you" in?*
