

Monday's answers

How would Cherry feel seeing candle light?

She would have been pleased because she would know that there must be people nearby.

She might be confused that candles had been used instead of electrical lights.

What is unusual about the workers' hats? Why?

They had candles on them. This is not seen nowadays.

Why might Cherry have felt shy?

Because she didn't know the men.

What is the relationship between the two men?

Father and son.

What can you tell about the men from the way they speak?

Old fashioned, strong accents.
