Your work this week will be set as an 'assignment'.

To submit your work, please go to **Teams > Assignment> (select the day and subject you are doing) > Add Work > (then choose which file to upload) > Done > Turn in**. This is an easier way for me to provide feedback to you all. If a timetabled activity is not set on Teams, you do not need to submit. However, there is a folder to upload any additional pictures of things you get up to in this week's folder.

All resources should be within your assignment. However, the resources you need will also be uploaded to the folders in files on Teams. **Please submit work through the assignment so it comes directly to me.**

Spellings are in the **Homework** folder. The list you need this week is in the **Spring 2** folder. This will go into the folder on Friday. Extra resources to support your writing are also available in the **Class Materials** folder.

I will be recording videos of myself reading Varjak Paw this week which I will upload to our **Stream** channel which is available through Teams.

In addition to the work set, please remember to practise your **spellings, read** as much as you can and log onto **Times-table Rock Stars**.
