

Orientation

Police were left baffled
yesterday
in Somewhere, USA
by mysterious lily pads left
on the ground.

Who?

When?

Where?

What?

Main body

Key message and information

What happened first?
Who first saw them?
What did they see?

WITNESS 1

I saw the strange object flying through the sky. They looked like little green flying saucers.

What happened next?
Who saw where they went?

WITNESS 2

They came into my living room and started watching TV - it was really weird!

What do people think happened?
What do the police think?

POLICE

We are continuing to investigate these reports and hope to find an answer in the next few days.

Reorientation

The people of Somewhere have gone back to their daily business, although there are reports that the pigs have started acting strange.

What is happening now?
