

Think about the story 'Can you Catch
A Mermaid?' by Jane Ray.

First, talk through your and then
answer these questions.

1) Name and describe the main characters in the story.

2) What do you most like (or dislike!) about the story, and why? Give reasons with as much detail as you can.

3) Why do you think Eliza decided to return the mirror to Freya? What were her feelings at this point in the story?

4) How did Eliza change as the story progressed? Why did she change, do you think?
