

Class Attenborough weekly timetable- Week Commencing-15/06/20

	<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
English:	It's nearly summer time, and the thing I have been thinking about the most is the seaside. For the next three weeks we will be looking at poetry, concentrating on poems about the beach and the seaside. Today we will be planning out a rhyming poem, see the PowerPoint for more details.	Yesterday you (hopefully) made a list of everything you liked about the seaside and found some rhyming words to go with it. Today I would like you to create your own rhyming poem using these words, and email me a copy so we can create a poetry section in our gallery.	Wellbeing Wednesday Activity	On SPAG Thursday today, we will be looking at popping punctuation! The sentences are missing all of their punctuation and you have to identify the correct one from the balloons scattered around the page, the PowerPoint explains this well and comes with balloons!	As Mr Higgins explained we will be focusing on Seaside poetry. Please look at the PowerPoint link (at the bottom of the website page). Have a look at the videos; what sounds can you hear? What smells do you think you would be able to smell? Using the videos and your own knowledge of the seaside, can you draw a picture of the seaside and label with adjectives. Can you find any rhyming words for your chosen adjectives?
Spelling/Phonics:	It's really 'neat' and you may have to 'repeat' yes today we're looking at the 'ea' grapheme as used in mean and read.	Today we are looking at a split digraph. A split digraph is where two letters that are separate from each other change the sound of a word. Today we		Read a newspaper, call your nephew or even eat some stew, no I'm not having a breakdown, I'm simply providing you with a seamless lead in to our	Your spelling targets this half term is to be confident with the Year 2 common exception words. Other Activity:	Science/PSHE: An important part of learning about materials is the concept of recycling. Today we will be looking at what you are already recycling around the house and recording it on this table. Please share your results, you may be recycling more than you think!	Science: Today we are conducting an investigation into different materials, rather than explain more here, download the Old Bear's Umbrella PowerPoint at the bottom of the page. Email me in the results of your investigation and we can put them on the webpage.		Topic: As part of our topic on the Royal family, we will be looking at both Prince Charles and the Commonwealth, the union of 53 countries around the world. I want you to go through the PowerPoint and then create me a flag for any country that is a member of the Commonwealth.	Forest school activity: Today we will be focusing on our forest school curriculum- Flower hunt! Can you please explore your garden, go for a walk, and research the flowers below. How

				<p>Oh, and one last thing, today is International Picnic day, so if you have a picnic today, that definitely counts as part of your schoolwork!</p>	<p>many can you spot? Do you have a favourite? If you wanted could you draw your favourite flower too?</p>
