

Class Rufford Learning At Home Tasks

Week 15 - Monday 20<sup>th</sup> July - Friday 24<sup>th</sup> July

	English	Maths	Foundation Subject
Monday	Bitesize Daily Book Club: Slime by David Walliams <a href="https://www.bbc.co.uk/bitesize/articles/zrd4f82">https://www.bbc.co.uk/bitesize/articles/zrd4f82</a>	Read a scale <a href="https://classroom.thenational.academy/lessons/read-a-scale">https://classroom.thenational.academy/lessons/read-a-scale</a>	This year has been a very different kind of year for us all. School has certainly been different to usual. We did do seven months of year 3 at school before lockdown began though. So I want you to celebrate your time in Class Rufford. You could make a Power Point or a poster or whatever you like. If you go into the Gallery, there are lots of pics of things we did in school as well as photos that your parents have sent me since school closed. You can use the photos by snipping or print-screening them. Send me your finished file (if it's on a computer) or a photo of it, and I'll create a new page in the Gallery. You might take a couple of days to do this but if you want yours in the Gallery, get it to me by tomorrow afternoon please.
Tuesday	This is our final English lesson of the year. I really hope you read through the summer. I certainly will. So this final lesson is about enjoying reading and what authors do. <a href="https://www.bbc.co.uk/bitesize/articles/zfjxdp3">https://www.bbc.co.uk/bitesize/articles/zfjxdp3</a>	Read capacity and volume <a href="https://classroom.thenational.academy/lessons/read-capacity-and-volume">https://classroom.thenational.academy/lessons/read-capacity-and-volume</a>	
Wednesday	It's Well Being Wednesday - check the subpage for today's activity		
Thursday	<p style="text-align: center;"><b>HAPPY HOLIDAYS CLASS RUFFORD</b></p> <p style="text-align: center;"><b>HAVE A GREAT SUMMER 😊</b></p> <p style="text-align: center;">Remember to enjoy reading some books over the summer. See if you can remember those year three stat spellings from time to time and keep up with your mental maths too.</p>		
Friday
