

Key Instant Recall Facts (KIRFS)- I know the multiplication and division facts for the 10 times

Year 2 Spring 1

$1 \times 10 = 10$

$10 \div 10 = 1$

$2 \times 10 = 20$

$20 \div 10 = 2$

$3 \times 10 = 30$

$30 \div 10 = 3$

$4 \times 10 = 40$

$40 \div 10 = 4$

$5 \times 10 = 50$

$50 \div 10 = 5$

$6 \times 10 = 60$

$60 \div 10 = 6$

$7 \times 10 = 70$

$70 \div 10 = 7$

$8 \times 10 = 80$

$80 \div 10 = 8$

$9 \times 10 = 90$

$90 \div 10 = 9$

$10 \times 10 = 100$

$100 \div 10 = 10$

$11 \times 10 = 110$

$110 \div 10 = 11$

7 lots of 10p = 70p

10	20	30	40	50	60	70	80	90	100	110	120
----	----	----	----	----	----	----	----	----	-----	-----	-----

4 rows of 10 = 40
10 columns of 4 = 40

4 equal groups of 10

How can my parents help at home?

When practising key recall facts it is important to do so little but often. Your child will start the exciting journey of learning their times tables in Year 2. By the end of the year, they need to know their 2x, 5x, 10x in and out of order.

Hit the Button can be set to specific x tables:

[Hit the Button - Quick fire maths practise for 6-11 year olds \(topmarks.co.uk\)](https://www.topmarks.co.uk/Hit-the-Button)
