## How can my parents help at home?

When practising key recall facts it is important to do so little but often. Your child will start the exciting journey of learning their times tables in Year 2. By the end of the year, they need to know their 2x, 5x, 10x in and out of order.

Hit the Button online game can be set to specific x tables: [Hit the Button - Quick fire maths practise for 6-11 year olds \(topmarks.co.uk\)](#) There are links to other games on our website.

Practise your times tables using the different game modes on Times Tables Rock Stars.
