Twenty-five **to** ten

How can my parents help at home?

Read the article: [Teaching Children How to Tell the Time: Hints and Tips - Busy Things Blog](#) (link on Attenborough webpage), get a watch for you child, get into the habit of looking at the time together throughout the day, make them the time keeper for the day, play games (links on Attenborough webpage), distinguish between am and pm, talk about how long different activities take, practise, practise, practise!!!

Hour Hand
The short hand points to the hour. If this hand is pointing between hours, it is either past the earlier hour or to the later hour.

Minute Hand
The long hand points to the minutes past or to the hour.
