

All Hallows C of E Primary School Values Ditty

Chorus

We are All Hallows School, yes, we are All Hallows school.

We are All Hallows School, yes, we are All Hallows school.

School Values

It starts with the HEART, every day, every time.

Five strong values at the centre of our school:

H - Humility, we learn from what we do,

E - Empathy, understanding me and you.

A - Ambition, reaching high, we aim our best,

R - Respect, we show it every day we're blessed.

T - Trust, we build it as we grow,

HEART is the rhythm and we let that show!

Chorus

We are All Hallows School, yes, we are All Hallows school.

We are All Hallows School, yes, we are All Hallows school.

Protected Characteristics

Next come the nine things protected by the law,

They help us celebrate who we are.

Age and race, they're part of your identity,

Religion or belief, what you choose spiritually.

Disability, the strengths we adapt,

Sex and gender reassignment, that's simply fact.

Marriage and partnership, families come in different ways,

Pregnancy, maternity, care for brand-new days.

They're like colourful flowers, all different, all bright,

We treat everybody fairly, because everyone's in sight.

Chorus

British Values

And finally we move to the values of our nation,

Helping us to grow in a safe foundation.

Rule of law, (clap clap), we follow what's right,

Democracy, we share our voice, we shine our light.

Individual liberty, choosing our own way,

Mutual respect, every single day.

Tolerance of beliefs, we understand and we see.

You can think differently and still learn with me.

Chorus

We are All Hallows School, yes, we are All Hallows school.

We are All Hallows School, yes, we are All Hallows school.
